School Band

The band is a very active club. In the late summer we had an ice cream social to raise money for our club. We played for the Old Settler's Fair in Columbia City and played and marched in the parade at the 4-H Fair. On October 1, we played a concert and led the parade for the Etna Lord's Acre Festival.

The Pep Band, a smaller group, played for the home basketball games. During the school year the band visits different colleges. This year we visited Manchester College and took part in the Band Day Program for a football game.

In February we sent contestants to the district music contest in Fort Wayne. There were eleven ensemble groups and eleven solos. Those who received superior rating went to the state contest at Indianapolis.

In the spring, the band sponsored a dance. We went to the county music festival, March 2, at South Whitley.

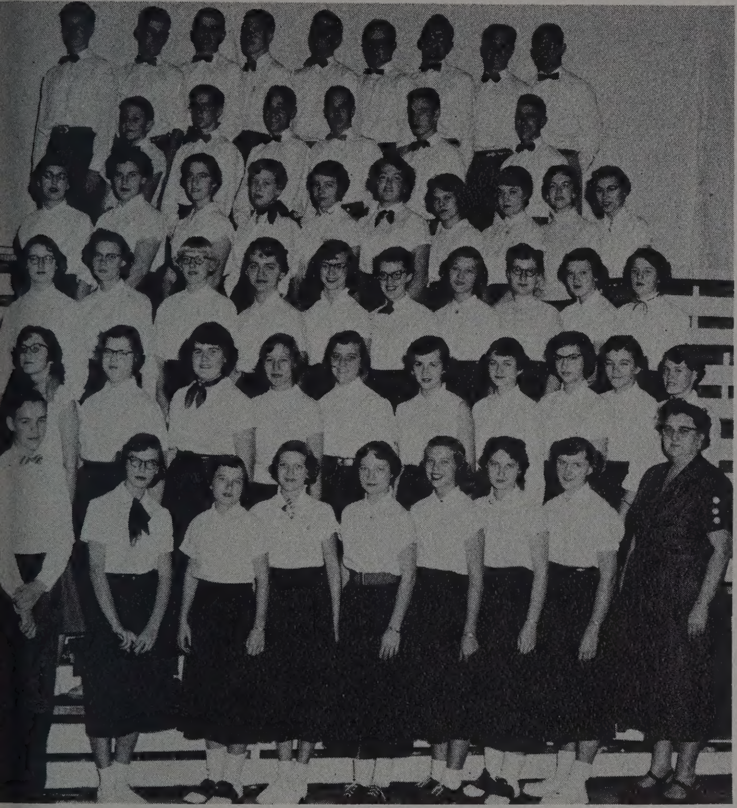
Chorus



The main purpose of the organization is for the enjoyment of singing.

A county music festival was held at South Whitley on March 2, 1956. At the beginning of the new year, a district music contest was held at Fort Wayne.

For the local enjoyment of music, the chorus participated in various activities. On December 23, 1955, the chorus sang for an assembly program.

Throughout the year, various ensemble groups sang at different times in the community. At the end of the year, the chorus combined with the band and gave a program in the gym.

To finish the year, the chorus sang for some of the graduation exercises. For Baccalaureate the whole chorus sang, and an ensemble group sang for commencement.

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation and citizenship.

The F.F.A. Club took a trip to Michigan and into the tip of Canada, last summer. About 17 boys and Mr. Ness, our advisor and Mr. Ross, the bus driver, and his son Gale went on the trip.

We were in Michigan for six days. The group rented five cabins.

We visited Mackinac Island, Indian Village, and went into Canada for about three hours.

All the boys had fun and expect to go on another trip next summer.

In December, the F.F.A. sold Christmas trees. These trees were planted six years ago on Joe Wilkinson's farm.

A Pest Contest was held from November 23 to January 6. The teams were the Freshmen and Juniors against the Sophomores and Seniors. The Freshmen and Juniors won the contest. Individual winners were: Jim Marker 1st, Larry Burnworth, 2nd.

The F.F.A. will hold a Father and Son Banquet again this year. The date is not yet known.

The F.F.A. is also planning a box social this year. The date is not yet known.

Next summer the F.F.A. Club is going to raise cane. We will sell sorghum molasses next fall.

F.H.A.

We are the Future Homemakers of America. Our aim is to work for good home and family life for all, to foster the development of creative leadership in home and community life, and to provide wholesome individual and group recreation.

Our officers are : Pres. - Barbara Adair; Vice Pres. - Jane Smith ; Sec. - Nancy Schafer; Treas. - Alice Stephens; Parl. - Loretta Johnson; Reporter - Nellie Long; Hist. - Charmaine Johnson; Song L. - Julia Egolf; Pianist - Joy Leedy.

During the year we sold salt water taffy, wood pulp flowers, made cookies and candy for the old people of the community, and sponsored a Sadie Hawkins Dance. We had a Box Social with the F.F.A. At Christmas we made two public appearances working for an Honor Chapter. We also attended the district and state conventions.

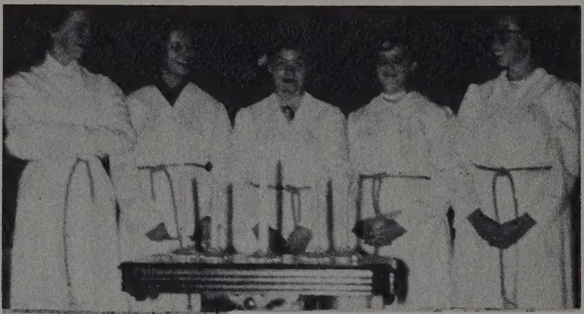
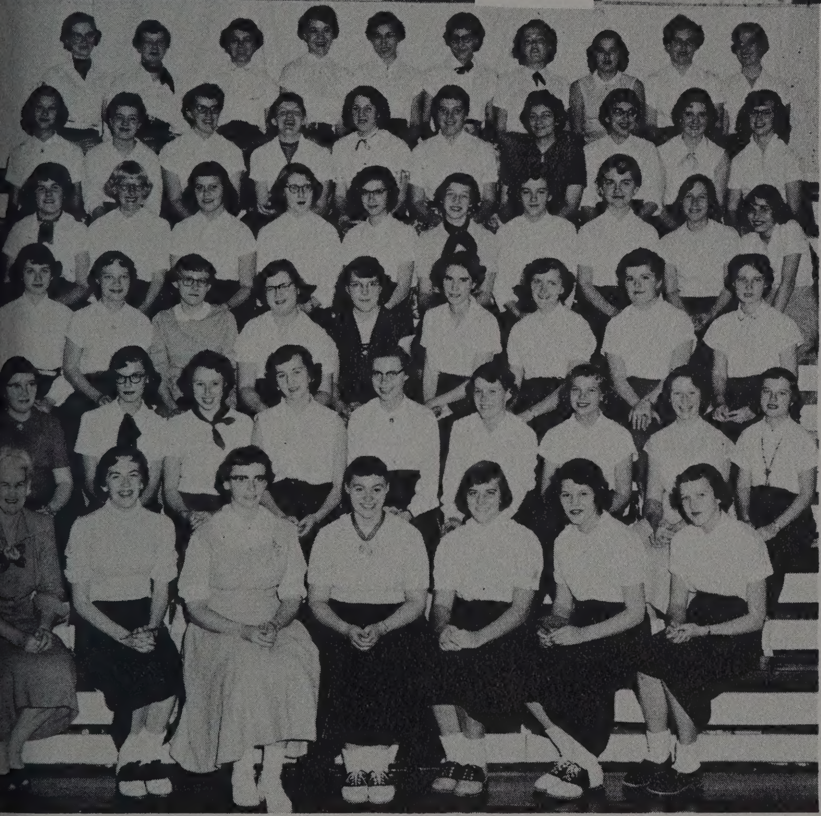
We the members of the F.T.A. are proud of achievements for the year. We are only 23 in number but in Spirit we are stronger. We started the school year with a bang, sending a delegation to the State Fall Convention at Indianapolis. To prove our bravery we put up a candidate for State President. However he lost by two votes. Next we initiated ten new members and the next day traveled to North Manchester for a High School Day Convention. Our lonely project was to sell place mats. The losing team of this duel treated the winners to a Christmas turkey dinner at our presidents home.

During the course of the year we sponsored such projects as a nursery for children at P.T.A. meetings and a table of registration and guide service for visitors on Visitation Day.

Sunshine Club





Purpose of the Sunshine Society is to make the object of our lives helpfulness and kindness to others. We try to fit ourselves to give intelligent service in making our community a safer and more beautiful place in which to live; thus making our own life rich and complete.

The activities of our club this year started with the initiation of our new members, Sept. 21. The Riley Fund Campaign started Oct. 26, and was climaxed Nov. 11 with the crowning of our Basketball Queen. The total sent to the Riley Hospital was $324.80. At Christmas we prepared ten boxes of candy, fruit and cookies, and gave them to the sick and needy.

The climax of the year was an informal tea for our mothers and Ideal Ladies, which included the installation of next year's officers.

Hi-Y

The Hi-Y Club is a Christian organization and its purpose is "To create, maintain, and extend through-out the school and community, high standards of Christian character". Our platform is clean Speech, clean Scholarship and clean Living. Some of the activities of the club are: (1.) An annual candy sale, (2.) helping to sponsor the citizen of the month, (3.) a campaign to stop slang, (4.) an annual swimming meet, usually held in the spring, (5.) trying to form a recreation center for other noon activities. Our candy sale was very successful this year, thanks to the community.

A new tradition was started in the Hi-Y Club this year. It was the buying of Hi-Y pins. The club paid for the officers and out-going members pins. Other members bought their own if they wanted one. Next year the club will buy pins for the new members.

Booster Club

Our first meeting was held on November 1, 1955. We had a Booster Dance and are planning for several more. Another thing which the club has sponsored is the election of cheerleaders. The Varsity Cheerleaders are Alice Stephens, Nellie Long and Joy Leedy. The "B" Team Cheerleaders are Terrell Juillerat and Marilyn Metzger.

The Booster Bus is another thing which the club has sponsored. We are hoping for a better attendance at each ball game in the coming year.

The Booster Club is for the purpose of bringing about good sportsmanship, good attendance at all the sports events, for loyal fans and for having high spirits in anything Mr. Zwayer and the boys do.

We are hoping that this year our Booster Club will be the best yet!
